ONLINE IMAGE AND LICENSING GALLERY FOR YOUR WORK

VISCOPY has developed an online Image Gallery licensing service assisted by the Department for Communications, Information Technology and the Arts. **You are invited to submit your work for this gallery.**

This service will allow our clients to select, license and receive reproduction quality files of works by **VISCOPY** members and pay for them online. The key objective of this service is the promotion of our member's work for reproduction purposes and **VISCOPY**'s licensing services. We aim to increase income to our members by increasing the licensing services. For security purposes images placed on the website are lo-res and watermarked. If a Viscopy client wishes to reproduce an artist's work they are sent a high-res digital image once a licensing fee has been paid.

THIS IS A FREE SERVICE TO PRIMARY MEMBERS

Simply sign the form below and return it with a selection of up to 40 images of your works to:

Viscopy Image Gallery, Viscopy, 45 Crown Street, Woolloomooloo NSW 2011

Submitted images should be in the form of 35mm slides OR digital images on a cd/dvd. Digital images should be saved as 300dpi unsharpened TIFF, or high quality JPEG, A4 size. (minimum 1.5MB)
